

Caring Cards & Crafts Instructions

Many of us look forward to celebrating holidays with the ones we love, but for some these can be particularly lonely times. Our clients are delighted to receive these creations and love to hear a little bit about who you are and what you like to do.

Caring Cards & Crafts is a great project for students, teachers and groups of all kinds. Just make a card or a small craft and brighten the day of one of our homebound seniors!

Occasions to celebrate:

- Memorial Day
- Happy Summer!
- Labor Day
- Halloween
- Veteran's Day
- Thanksgiving
- Happy Holidays
- Valentine's Day
- St. Patrick's Day
- Happy Spring!

....or just send your well wishes!

Completed projects can be brought to
